Each party, at its own cost and expense, agrees to provide reasonable cooperation and assistance to the other party in the investigation, defense and settlement of any Claim, including but not limited to providing access to relevant information and employees.

**16. FORCE MAJEURE.** Neither we nor you will be held responsible for any delay or failure in performance of any part of this Agreement if and to the extent that such delay or failure is caused by an event outside of the reasonable control of the party otherwise responsible including, without limitation: fire, flood, lightning, explosion, war, act of terrorism, strike, embargo, labor dispute, government requirement, civil or military authority, act of God or nature, inability to secure materials or transportation facilities, act or omission of third party carriers or suppliers, act or failure to act of any Governmental authority, computer viruses or worms, computer sabotage, 'Denial of Service' attacks, DNS spoofing attacks and/or other hacking attacks of a similar nature (provided the party claiming such cause has taken commercially reasonable steps to prevent such hacking attacks). The occurrence of an event of force majeure within the meaning of this Section shall not relieve you of your obligation to pay us for Services used by you prior to the occurrence of such event, or which may become due by you thereafter on account of your continued use of such Services after such occurrence. Failure of either you or us to perform under this Agreement because of the occurrence of an event of force majeure the effect of which lasts more than forty five days shall, upon twenty four hours notice to the other party, be grounds for termination of the Service(s) affected by that event, but not of the entire Agreement.

**17. NO WAIVER.** The waiver by either you or us of any breach of this Agreement by the other in a particular instance will not operate as a waiver of subsequent breaches of a same or different kind. The failure of either you or us to exercise any rights under this Agreement in a particular instance will not operate as a waiver of right to exercise the same or different rights in any subsequent instance.

**18. SEVERABILITY.** If any provision of this Agreement is held to be invalid or unenforceable, it will be severed from this Agreement, and the remaining provisions will remain in full force and effect and we and you will promptly negotiate a replacement.

**19. INDEPENDENT CONTRACTORS.** Under this Agreement, each of you and us will be independent contractors, maintaining complete control over our respective personnel and operations. Except as expressly stated in this Agreement, nothing will be deemed to create a partnership between you and us, nor to make you our agent or legal representative, or visa versa, nor to create any fiduciary relationship between you and us.

**20. NO THIRD PARTY BENEFICIARIES.** This Agreement is made for the benefit of the parties to it alone and is not intended to be for the benefit of, or enforceable by, any other person and will not confer on any other person any remedy, claim, right of action or other right. The right of the parties to terminate, rescind, or agree any amendment, variation, waiver or settlement under this Agreement is not subject to the consent of any person who is not a party to this Agreement.

**21. ASSIGNMENT AND SUBCONTRACTING.** Neither we nor you may assign our respective rights under this Agreement without the prior written consent of the other, except that (i) we may freely assign our rights under this Agreement to one of our Affiliates, and may freely assign our right to receive payments hereunder, and (ii) you may freely assign your rights (but not your obligations, including, for the avoidance of doubt, payment obligations) under this Agreement to one of your Affiliates. Any attempted assignment, transfer or other disposition by you or us in violation of this Section will be null, void and of no force and effect. We may, without your consent, subcontract the provision of a Service, or a portion of a Service, provided that we will continue to be liable to you for the performance of such subcontractors in accordance with the terms of this Agreement.

**22. NOTICES.** Notices of Service or Circuit availability and any notices of termination of Services by us under

Section 3.1 by us shall be made (by Email) to your Project Manager. Notice of termination of Services under Section 3.1 shall take effect forty-five (45) days after receipt by you. Termination / disconnection requests by you must be made by submitting (by Email) a completed Service Disconnect Request Form to the CSM assigned to your account. Service Disconnect request Forms are available upon request from the CSM. All such termination / disconnect requests shall take effect forty-five days after receipt thereof by the CSM, provided that in the case of local access circuits and other service elements which are provided by third party subcontractors to us, all such requests shall take effect sixty (60) days after receipt by the CSM. All other notifications, requests, demands and other communications required or permitted under this Agreement (including notices of breach and/or termination of this Agreement) must be in writing and addressed to the recipient at the address specified in the preamble to this Agreement, or such other address as may be notified by either you or us to the other for that purpose. Notice will be deemed given (i) on delivery, when delivered in person or by courier during a Business Day, otherwise on the next Business Day after delivery, (ii) the same day, when sent by facsimile during a Business Day, otherwise on the next Business Day after transmission, provided that the sender has a transmission report confirming transmission of the correct number of pages to the other party's facsimile number, or (iii) five Business Days after deposit in the mail.

**23. REGULATORY MATTERS.** You acknowledge that each Service provided by us will be subject to laws and regulatory rules in one or more jurisdictions. We undertake to comply with all applicable laws governing the provision of the Services to you, and accordingly, may cancel or suspend the provision of any Service, or portion thereof, upon reasonable notice to you if the provision of that Service, or any portion or element thereof, is determined to be a violation of any applicable law or regulation or of our license in any jurisdiction, or is no longer permitted under any of the same. In these circumstances, we will make reasonable efforts to restore the Service, or to provide a functionally equivalent substitute service that is permitted under any applicable law or regulation or under our license(s). Any pricing terms for a functionally equivalent substitute service will be separately negotiated.

23.1 You shall perform your obligations under this Agreement in a commercially reasonable, ethical and professional manner and in accordance with applicable legal requirements, including without limitation, all export control laws and regulations (including those promulgated by agencies of the United States Government, including the U.S. Departments of Commerce and Defense), which prohibit the export or diversion of goods to certain prohibited countries.

**24. LATIN AMERICAN SERVICES.** You acknowledge and agree that Latin American Services<sup>6</sup>, if ordered by you, will be provided directly by our Affiliates organized under the laws of the applicable Latin American country/countries in order to comply with applicable legal and regulatory requirements of those countries. With respect to Latin American Services, you further agree to enter into (or, if applicable, to cause your local Affiliate organized under laws of the applicable Latin American country in which Service is to be provided to enter into) a separate contract with our Affiliate in the applicable country for the supply of such Latin American Services (a "Local Country Agreement") (i) incorporating by reference the terms of this Agreement, (ii) providing that the portion of the total amounts payable as are allocated to the local Services will be invoiced locally in accordance with applicable laws and regulations and (iii) containing such other provisions as may be reasonably necessary to comply with applicable laws and regulations.

**25. GOVERNING LAW.** Subject only to the provisions of any Local Country Agreement, this Agreement and the SLAs will be construed and enforced in accordance with the laws of England and Wales. We both irrevocably agree to submit to the exclusive jurisdiction of the courts of England over any claim or matter arising under or in connection with this Agreement and the SLAs. We each consent to the jurisdiction and venue of such courts and waive any right to object to such jurisdiction and venue.

**26. ELECTRONIC COMMERCE AND EXECUTION.** To the extent permitted by applicable law, the parties will conduct transactions using an electronic commerce approach under which the parties will electronically transmit and receive legally binding purchase and sale obligations. This Agreement may be executed by exchange of facsimile signature pages and in any number of counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one single agreement among the parties.

**27. ENTIRE AGREEMENT AND AMENDMENTS.** This Agreement, including the SLA applicable to each Service ordered by you, together with each executed Order Form, constitutes the entire agreement between you and us concerning the provision of Services by us to you, and supersedes all prior agreements, proposals, representations, statements or understandings, whether written or oral, concerning such Services. Except as provided for in Section 2 above, no modification or waiver of any of the terms of this Agreement will be binding unless set out in a written agreement or amendment referencing this Agreement and signed by both you and us. Any terms and conditions purportedly imposed by any standard purchase order or document used by you shall be void and of no effect.
